

Biochemistry Graduate program  
Department of Chemistry & Biochemistry  
The University of Maryland at College Park

**Nomination of Candidacy/Dissertation Committee**

Date: \_\_\_/\_\_\_/\_\_\_

Name of Student: \_\_\_\_\_

Please Print

UID: \_\_\_\_\_

Committee Members:

1. Advisor:
- 2.
- 3.
- 4.
- 5.

**Instructions:** Each student must submit the names of four Biochemistry/Chemistry faculty members and a Dean's representative from outside the Department. No more than one of the four can be an Affiliate faculty member. The Dean's representative is required only at the dissertation defense but must be notified of earlier meetings and may choose to participate at any time.

Selection of committee members should be done in consultation with the student's advisor. Each potential committee member should be consulted about their willingness to serve prior to submission of the names. The nomination form must be submitted to the Graduate Office for departmental approval. The form is due by October 15 of the student's second year of graduate school. The committee will serve as the student's Mentoring Committee, Candidacy Committee, and Dissertation Committee. The student is required to meet with the committee annually to assess the student's progress.
