Sample Submission Form
Biomolecular NMR Facility, University of Maryland, College Park

<b>1</b> 11	IANT	Intorn	nation
<b>.</b>		<i>,</i>	1411111

Requested by:			Date(MM/DD/YY):				
Phone:			Institute Name and Address:				
Fax:							
Email:							
P.I.*:							
*Principal investigator (P.I.) must have an existing account at Biomolecular NMR Facility. The new account form is available for new clients at the Biomolecular NMR Facility website.							
Sample information (add additional pages if necessary)							
Sample	Description	Solvent/buffer		Experiment(s) and			
ID/name	(liquid/solid,	composition.		Temperature 5°C, 25°C,			
	quantity)	(Requesting or existing)		50°C?			
Further instructions from user (add additional pages if necessary)							
Sample returning? [ (Include FedEx Acct. No. for land shipment.)							
Method of data delivery: Email Fax Mail							

Address: University of Maryland, College Park
Biomolecular Science Building # 296, rm 1105
College Park, MD 20742

Contact: Daoning Zhang, Ph.D. Phone: 301-405-8239 Fax: 301-314-0386
